Hello Marco,

We hope this email finds you well. Given the current COVID-19 crisis, we are reaching out to our BIDs currently renewing to provide you with an updated tentative schedule for your current BID renewal. As you are aware, there are multiple City deadlines and procedures that must be met in order to make the County's 2021 tax rolls.

Any PBID renewals must have the petition drive completed and verified by TRU by **April 22, 2020**, a signed Clerk Report and a signed Ordinance of Intention on NOVUS by **April 29, 2020** in order to make the County's 2021 tax rolls. The Ordinance of Intention must be adopted by Council by **May 6, 2020**, with a mail out deadline of **May 15, 2020**. The dates listed in this email are applicable to all BIDs renewing. Please keep in mind that meeting this date is contingent on various internal/external factors.

We have attached a tentative schedule for your reference that provide further guidance. Please do not hesitate to contact us with any questions.

Best,

Yurida
